

Global Compact

Paris, 28. October 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the preparation and posting of a Communication on Engagement (COE) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions in regard to organization's efforts to support the UN Global Compact in advancing the ten principles and to engage in the initiative and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to a temporary resourcing issue, partly attributable to our engagement with the UN COP21 process and associated promotion of sustainable mobility.

We hereby ask for an extension period in order to be able to post a COE that describes our company's efforts and progress to support and to engage with the Global Compact. Our new COE report will be posted on the UN Global Compact website by 30 January 2016 at the latest.

Sincerely,

Nick Craven
Manager of Unit - Sustainable Development
