

November 07th 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the hospitalization of the person in charge of the coordination of the CSR policy in our Group: news that PRME report wasn't considered anymore as a valid COE by UN Global Compact secretary has just been transmitted to the interim team, which needs time to gather the proper data to build the COE properly.

We hereby ask for an extension period in order to be able to post a COE that describes our School's efforts and progress to implement the principles of the UN Global Compact. Our new COE report will be posted on the UN Global Compact website by January 29th 2016 at the latest.

Sincerely yours,

Odile Verdure-Labeille
