To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprised of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to:

- Almost the entire staff are engaged in daily meetings in relation to quality assurance issues.
- Plenary meetings are taking place for the purpose of upgrading university facilities (Laboratories, Workshops, Education Hospital, Sports).
- In addition to receiving a number of foreign delegations.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 30 January 2016 at the latest.

Yours Sincerely,
