Request for grace period to post COP

Dear Ms Filipic,

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to diverse unforeseen circumstances including unplanned but important travel abroad. We hereby request an extension period in order to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. This follows an earlier request dated 31 October 2015 that we submitted to Ms Donna Chung, Head of Industry Engagement and Special Projects, which we now submit directly through www.unglobalcompact.org.

Our new COP report will be posted on the UN Global Compact website by 28 February 2016 at the latest.

Yours sincerely,

Igor Runov
Under Secretary General
Head of the IRU Permanent Delegation
