November 12, 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to ongoing work preparing our corporate social responsibility report, scheduled for release in February 2016. Only after gathering all information from all our locations and after completing our social responsibility report, we can assure that all relevant information is included in our COP.

We hereby ask for an extension period in order to be able to post a COP that describes our organization's efforts and progress in support of the UN Global Compact. Our COP will be posted on the UN Global Compact website by April 19th, 2016 at the latest.

Sincerely yours,

Mr. Wolfgang Stein
President and CEO Drahtzug Stein holding GmbH & Co. KG
