

## MULTI NET RESOURCES SDN BHD

19<sup>th</sup> November 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to we are in a race against time in preparing our new project, which will be launch in January 2016, hence having insufficient time to fulfill our commitment in submitting our COP.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 17<sup>th</sup> January 2016 at the latest.

Sincerely yours,

Mr Tee Lian Phing

Managing Director
