

Boulogne Billancourt, November 28, 2014

To our stakeholders:

I am pleased to confirm that EcoAct reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles in to our business strategy, culture and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Gérald Maradan

Chief Executive Officer
