**A DOZEN CHECKS**

**A FEW  
CORRECTIONS**

**SEVERAL  
RECOMMENDATIONS**

### Among the checks & controls

- Energy mix, CO2 emissions
- Market share, green contracts
- Tax and contributions, etc.

### Corrections

- Title of the Mix energy graph
- Rounding off mistakes in 5 graphs

### Improvements

- Credible source to benchmark car fleet emissions
- External source for taxes

### Recommendations

- Include employee satisfaction
- Distribute to all employees
