Dear stakeholders,

BOURBON recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

During our first years as a member of the United Nations Global Compact, we have experienced unexpected delays in collecting the information to report in our first COP and therefore are late in creating, sharing and posting our 2015 Sustainability report (including our COP).

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by December 03 2015 at the latest.

Sincerely yours,

Mr. Christian LEFEVRE
CEO of BOURBON
