Dear Sir/Madam,

Since 2008, we have been an active member of the UN Global Compact. A key requirement for participation in the UN Global Compact is the annual preparation and posting of our Communication on Progress (COP) that comprises of our statement of continued support for the UN Global Compact, a description of our actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Over the years, we have attached great importance on delivering the COP on time. However, this year we wish to request a grace period for our COP due to external factors. Thus, we ask for an extension period in order to be able to post our COP that describes our efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by March 1 at the latest.

Sincerely yours,

Jesper Hallstrøm Eriksen
