Dear Ms. Gordana Filipic

On behalf of H. Lundbeck A/S, I kindly ask for few days' extension of the deadline for submission of our Communication on Progress covering 2015. We are adjusting our CSR efforts to Lundbeck's new strategy, which has been revised by our new Chief Executive Officer. At the same time, we would like to align the timing of the COP with the release of Lundbeck's Annual Report 2015. I expect to submit the COP on 10 February 2016.

Yours faithfully
H. Lundbeck A/S
