Statement of continued support by the Chief Executive Officer

Your Excellency Secretary General,

I am pleased to confirm that the Emirates Telecommunications Group Company PJSC - "Etisalat" - reaffirms its support of the Ten Principles of the United Nations Global Compact in its effort to fight for human rights, its defense of labour and the environment, and its efforts to combat corruption.

These principles have always been part of our corporate culture, and since signing with the UNGC we have reinforced their application across our footprint building a structure that will have a sustainable impact for years to come.

In our latest Communication on Progress, we describe the results of initiatives already in place as well as the proactive actions taken since making our initial pledge. We have already engaged in a variety of initiatives in support of the strategy we laid out when signing with the UNGC.

I would also like to take this time to reconfirm our commitment to share this information with our stakeholders using our primary channels of communication.

Etisalat will continue to value the guidance and leadership of the UNGC, and looks forward to vigorously pursuing action in support of the organisation's goals and values.

Yours sincerely,

Ahmad Julfar
CEO
Etisalat Group
