

18th Jan 2016

To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP).

We are writing in to seek your kind consent to allow us an extension to submit our COP, due to time constraint, which were involved in 2015 annual audit.

We will expedite the eventual submission of the COP before 29th Feb 2016.

Sincerely yours,
Irene Loh
