To our stakeholders:

I am pleased to confirm that AIAS - Associazione professionale Italiana Ambiente e Sicurezza reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

**GIANCARLO BIANCHI
AIAS PRESIDENT**

Part II. Description of Actions

Please use the box below to describe the actions your organization has taken in support of the Global Compact. It is strongly recommended that the actions taken are related to one or more of the specific activities suggested. *Please refer to the complete list of suggested activities for your type of organization found [here](#).*

During 2014-2015 AIAS realized the following activities to support the Global Compact:

Becoming founding partner of **Global Compact Network Italy – GCNI** (29/01/2014) and taking part in the Network activities and the Working Groups.

Spreading subjects relating to the Ten 10 Principles of the UN Global Compact and the Social Responsibility and Sustainability by arranging national meetings during the most important national fairs.

In 2014:

Fiera del Levante, Bari, 19th September 2014 (*"Venti anni di sicurezza europea dal 626/1994 al 81/2008 e successive decretazioni: novità e futuri sviluppi"*).

Expotraining, Milan, 1-3 October 2014 (8 meetings about Health and Safety at work, one of them was specifically dedicated to the subject *"Sostenibile, green, etico: linee guida per reinventare il lavoro"*).

AmbienteLavoro, Bologna 22-24 October 2014 (*"Le imprese e la prevenzione: valutazione e bonifica del rischio amianto"*).
