BERGEN

## To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in sharing our COP report due to the fact that we want to share our latest progress with you. We want to run the COP report process together with our annual report process.

We hereby ask for an extension period. Our new COP report will be posted on the UN Global Compact website by 26.04.2016 at the latest.

Sincerely yours  
Kristine Gramstad

CHIEF COMMUNICATIONS OFFICER
