Dove Centre for Children in Sierra Leone is pleased to confirm its continuous support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti – corruption.

Furthermore, as this marks our first Communication on Engagement, the Dove Centre for Children delineates its operations in amalgamating the principles of the Global Compact in to its community development projects through culture, advocacy and porch through the right channels to empower communities to participate fully in their own development.

Dove Centre for Children is committed to disseminate this information with other associates by using its ultimate passage of communication.
