

INTERNATIONAL HUMAN RIGHTS ASSOCIATION

Access to Justice & Human Rights for All

Date: 28/01/2016

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes

We are late in creating, sharing and posting our COP report due to the administration staff and team members of our organization are still based in Nepal providing aid to the earthquake victims once they comeback we will definitely engage in COP.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by by 27 Dec 2016, max. 90 days from COP deadline] at the latest

Sincerely

Yours

Tameem Mohammed
