To Our Stakeholders:

COMMUNICATION OF ENGAGEMENT FOR THE PERIOD OF JANUARY 2015 TO DECEMBER 2016

Peace and Life Enhancement Initiative International wishes to confirm its dedication and continuous support to the United Nations Global Compact and its Ten principles in the areas of Human Rights, Labour, Environment and Anti-corruption. This is our Communication of Engagement with United Nations Global Compact, we welcome feedback on its content.

We are aware that the annual preparation and posting of the Communication of Engagement is a major requirement in the UN Global compact.

PLEII has joined the Global Compact Local network, have been able to identify and engage with some corporate organisations that it would engage on Global Compact related issues in the New Year 2016 also would propose partnership projects on corporate sustainability and provide commentary to companies on Communication on Progress. All of these would be adequately reported during the next COE due dates.

In this communication of Engagement, we describe the actions that our organisation would take to support the UN Global Compact and its principles as suggested for an organisation like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Thanks

Sincerely yours,

Odukoya Olugbenga

Executive Director
