ADJUSTMENT REQUEST

January 28, 2016

To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a communication on engagement (COE) that comprises a chief executive statement of continued support for the UN Global Compact of a description of practical actions in support of the UN Global Compact and a measurement of outcomes or expected outcomes.

We want to align our internal reporting cycle with the COE deadline. We hereby request our COE deadline to be adjusted to March 31, 2016

Sincerely yours,

Sign:
