Dear Sirs:

The Gabriel Lewis Galindo Foundation wants to express its deepest disappointment because of our failure to submit our organization's biennial COE. We believe that our participation as an active member of The UN Global Compact is most important and we apologize for not presenting the required documentation on time.

We want to request additional time for us to be able to present the documentation in the near future in order for us to comply with the Organization's requirements.

We deeply appreciate your understanding and the additional time for us to be able to present this further.

Thank you very much once again,

Kind regards,

Marta Lewis de Cardoze
