

OPERADORA CIBERGESTION SA DE CV

February 2, 2016

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a new model of organization and processes that are being implanted in our company. Also we were audit and certificated in ISO 9001 in December 2015

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP will be posted on the UN Global Compact website by February 10, 2016 at the latest.

Sincerely yours,

Ms. Eugenia Braniff
Director of Quality
