To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the coincidence of making our first joint report both Social and Stakeholders that requires our new company LafargeHolcim at Global level and other commitments that require our urgent and imperative attention.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by March 11th, 2016 at the latest.

Sincerely yours,

Mr. Dionisio Sáenz Romero
CSR Head of Holcim Nicaragua, S.A.
