Betreft: Grace Period Letter COP 2015

's-Hertogenbosch, 29 februari 2016

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the leave of the person who was responsible for creating the COP report and that this has been assigned to another person in our organisation who was not yet familiar with this report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by May 31st, 2016.

Sincerely yours,

M. Verstraeten
Manager
