## Communication on Progress 2015 – Adjustment Request

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP).

As we are currently reviewing our internal Corporate Responsibility reporting cycle, we would like to align it with the COP deadline. We hereby request our COP deadline to be adjusted to February 6, 2017.

In the meantime, an overview of the latest corporate responsibility facts & figures, as well as news about our sustainability projects and initiatives is updated daily and can be found on our website. We invite you to have a look on [www.bertelsmann.com/responsibility](http://www.bertelsmann.com/responsibility) or contact us directly if you have any questions.

Sincerely yours,

Katharina Kerl
