Grace letter from Holmen AB, Sweden (ID 4904)

The reporting in the Holmen annual report on financial management, environmental responsibility, employees and other stakeholders will also this year be supplemented on the Holmen website by a detailed account of Holmen's work on sustainability. This includes descriptions of environmental work in the various business areas, statistical tables and a complete GRI register. Together this will constitute Holmen's sustainability reporting.

The deadline for submitting the COP from Holmen is 2016/03/27. Holmen is working with a new set up for the sustainability reporting on the webpage. Due to some technical difficulties in this process Holmen has to postpone the due date for the COP.

The COP will be submitted at 2016/04/06 at the latest. Please let me know if this is OK.

Sincerely yours

Lars Strömberg, Holmen AB
