Dear Mr. Secretary General,

Further to Vallourec's adhesion to Global Compact on July 23rd, 2010, I am pleased to confirm our company's pledge to support the ten principles of the Global Compact and our will to implement them as part of our strategy and our day-to-day operations.

As the attached documents clearly show, we achieved our last year commitments and we are still committed in 2016 to comply with the four domains for action of Global Compact. We are also proud to have been acknowledged as having reached in 2015 the "advanced status" further to the qualification process of Global Compact France.

Sincerely yours,
