UN Global Compact - Communication on Progress 2014-15

C&MD statement

MIDHANI as a signatory to the United National Global Compact (UNGC) reiterates its firm commitment to the principles of Global Compact initiative in all the areas of Human Rights, Labour, Environment and Anti-Corruption measures. MIDHANI is committed to ensure that Principles of Global Compact are embedded in the core policies and business practices of the organization.

MIDHANI is eagerly looking forward to play a positive role in the implementation of Government initiated reforms in the areas of governance and labor laws through concepts such as Make in India, Skill India and Digital India. We also look forward to the guidance from various resource materials issued by UNGC and member organizations to align all our activities with the principles of Global Compact.

The period under review has been a satisfying year for MIDHANI in terms of business performance as well as corporate social responsibility and talent management initiatives. Subsequent pages provide a brief on the significant areas of progress with respect to Global Compact principles during the year under revision.
