[About us: Corporate social responsibility](#)

# Our corporate and social responsibility [To about-us](#)

We take responsibility for our impact on people and the environment.

## Key areas

- Eliminating economic crime
- Promoting financial understanding in the community
- 40 percent women in leading roles
- Strict requirements towards our suppliers
- Environment and renewable energy

## Facts

- » [Annual report 2015 \(CSR included\)](#)
- » [Key Figures 2015](#)
- » [Targets and measures \(as at March 2016\)](#)

## Processes and policies

We want our internal processes and policies to be transparant.
