To whom it may concern,

Based on our relationship since the date Sabancı Holding had signed "The Global Compact" in 2007, you are already aware of our Group's commitment to the Global Compact Network activities and our accuracy to meet the deadlines.

We, as Sabancı Holding, are currently working on our Communication on Progress (COP) report. However, this year we will be reporting according to the GRI format in parallel to our sustainability practices.

Considering the detailed work and effort this process need, we hereby would like to inform that we will be sharing the report by the end of July and we hope that you understand our requirement for additional time.

Please accept our sincere apology for the delay.

Sincerely yours,

  
Filiz Karag l T z n  
Corporate Communications Director
