

24th march 2016

To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN GLOBAL Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to our approach of labelling "Safety, Environment and Social Responsibility" (label RSE Lucie). Our Communication on Progress is bound to our work with VIGEO which will soon evaluate the level of commitment shown by our organization towards all CSR or sustainable development goals.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 25 June 2016 at the latest.

Sincerely yours,
Ms Bernadet
Manager
