To our stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP).

We would be grateful if you could allow us an extension period in order to be able to post Petrofac's COP by 21 June, 2016, at the latest. The reason for this is that most of our up to date information is contained in our Annual Review which will be released in early April.

Sincerely yours,
