April 26, 2016

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress(COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to **the delay in the publication of Sustainability Report.**

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to impliment the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by **Jun 30, 2016** at the latest.

Please be advised that the name of company has changed from SK C&C to SK Holdings since a merger (August, 2015)

Sincerely yours,

Park, Jung Ho  
President & CEO
