UN GLOBAL COMPACT
685 Third Avenue
New York, NY 10017

Ext.No. 6043001/01/004-001

April 30th 2016

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to circumstances arising in connection with the organizational development.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by June 30th 2016 at the latest.

Sincerely yours,

Artem Khachatryan
Director General
