Subject: Reporting Cycle Adjustment

Date: 09.05.2016

To our stakeholders,

As a UNGC participant since 2014 Akçansa Çimento Sanayi ve Ticaret A.Ş. annually publishes sustainability report which also serves as Communication on Progress (CoP). This year, Akçansa's CoP submission date has been automatically set to May 11, 2016 as a result of previous publication date. However, we intend to publish our latest sustainability report this year at the end of October 2016.

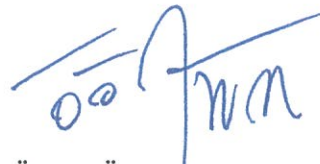

Therefore, we hereby ask for an extension period to November 15th in order to be able to post a CoP that describes our company's efforts and progress to implement the principles of the UN Global Compact. We appreciate the consideration given to our request, and we greatly value our continued support to the UN Global Compact.

Sincerely

Ali Kipri
