

GOGLA, Nieuwekade 9, 3511 RV Utrecht, The Netherlands

May 17th, 2016

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to staff and leadership changes in the structure of GOGLA's Sustainability Working Group.

We hereby ask for an extension period in order to be able to post a COP that describes our organization's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 11, 2016 at the latest.

Sincerely yours,

Koen Peters
Executive Director
