

Grace letter, COP for Vasakronan 2016

Dear UN Global Compact,

For the last couple of year we've only submitted a COP with links to Swedish material. This year we have an English version of our GRI-report. However it is still being lay outed and not ready yet.

We would therefore like to ask for another two weeks to complete our COP.

Stockholm, 2016-05-26

Kind regards,

Anna Denell
