

To our stakeholders

Hasselager, 3. June 2016

Grace Letter

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a communication in Progress (COP) that comprises of a CEO statement of continued support for the Un Global Compact, a description of practical actions with regard to the principles of the Un Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the senior management's intense focus on implementing a new large customer portfolio.

We hereby ask for an extension period in order to be able to post a COP that describes our company's effort and progress to implement the principles of the Un Global Compact. Our new COP report will be posted on the Un Global Compact website by the 30. June 2016, at the latest.

Sincerely yours,

Vital Petfood Group A/S
