To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to delayed release of annual Sustainability Report which is related to the outcomes of our efforts, which might take at least a month from now on.

We hereby ask for a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by July 31, 2016 at the latest.

Sincerely yours,

Mr. Minseok Kim

Senior Manager
