Warsaw, June 17th, 2016

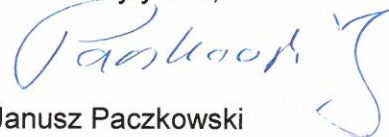

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the organization structure change and designation of Mr. Janusz Paczkowski as the Chief Ethics Officer.

We hereby ask for an extension period in order to be able to post a COP that describes the Polish State Railways effort and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 15, 2016 at the latest.

Sincerely yours,

Janusz Paczkowski
Chief Ethics Officer PKP S.A.
