To our stakeholders

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We wish to align our COP deadline with our external financial reporting cycle. We hereby request our COP deadline to be adjusted to 1 March. Our next COP report will thus be published 1 March 2017.

Yours sincerely,

Michael H. Lyng
President & CEO, nkt cables group
