Lanco's Commitment in Support of UNGC Programme

As one of India's leading business entities, Lanco Infratech Limited (Lanco) has been driving growth across a synergistic chain of verticals comprising EPC, Power, Solar, Natural Resources and Infrastructure.

Lanco is an environment friendly company in all its activities, products and services besides providing safe and healthy working environment to all its stakeholders. While, our EPC and Solar verticals are ISO 9001 certified, our Power Generation units & Solar module production plant are accredited to the latest international standards viz. ISO 14001 certification for Environment Management and OHSAS 18001 for Occupational Health & Safety Management Systems.

The company reiterates its commitment to Global Compact (GC) Programme and intent to advance GC principles within the company's sphere of influence and has made it part of the strategy, culture and day-to-day operations.

Company publicly advocates with its employees and other stakeholders by regularly incorporating its commitment towards GC programme through Annual Report, Press Conference and other public documents.

Lanco continue to view the GC as an important guide, and are pleased to continue its active support.
