GRACE LETTER

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the necessity of a further improvement of our Report structure and the preparation required in order to follow the guidelines of the GRI/G4 International Sustainability Initiative.

We hereby ask for an extension period in order to be able to post our new COP on the UN Global Compact website by the 26th of November 2016 at the latest.

Sincerely yours,

Spiros Paschalis
CEO Attica Group
