GRACE LETTER

To Our Stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO Statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to organizational changes in the area of human resources , who are the ones who keep monitoring and communication COP.

We are in the process of review and adjustment in the report, in addition to a review of the indicators that support more clearly our commitment.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website **by October 26, 2016.**

Sincerely yours,

Mrs. Patricia Rimentel García,

Human Resources Director
