MarkPlus Code of Conduct

This Code of Conduct (“Code”) is a statement of our principles and expectations that guide business conduct at our Firm and support the overall Firm’s culture philosophy that encourages all employees to be Excellent, Professional and Ethical individuals. Professional Excellence with Integrity is the key to MarkPlus’ continued success in all our dealings with our clients, customers, plan sponsors, employees, providers, shareholders, regulators and others with whom we do business.

This Code covers a wide range of business practices and procedures. It does not cover every issue that may arise, but it sets the basic principles to guide all employees and officers of the Firm (including all of its subsidiaries).

The basic principles discussed in this Code are part of the Firm’s policies and are subject to any Firm’s policies covering the same issues.

This Code applies to all of the Firm’s officers, employees, contract workers, including those in the Firm’s subsidiaries and facilitators with full-time and exclusive status, whether operating inside or outside of Indonesia. Selected codes may also apply to departing and former employees of the Firm.

All of MarkPlus employees and officers must conduct themselves accordingly; use their judgment, to be accountable for their actions and to conduct business with integrity, seeking to avoid even the appearance of improper behavior. In addition, the Firm’s policies apply to various Firm operations and you need to know and follow those policies that apply to your company work.

Every year in the MarkPlus Annual Gathering, we will ask all the employees to re-sign the code of conduct which they have previously signed before.

Unrivalled Personal Growth

Employees are provided with a dynamic and challenging environment. They are often given a diverse range of tasks and projects, giving them the opportunity to deepen their knowledge not only in one field, but also learn across a wide range of business and marketing topics. Employees are able to learn from a range of activities - whether from reading the latest books, the latest research journals, listening to/working with more experienced people or experts within a particular topic, or experiencing challenging business problems to solve. At MarkPlus, employees get to meet different levels of people from various industries, hence sharpening their ‘people’ and communication skills. They will also learn to multi-task and work well in teams as working in teams is how we do things here.

Employees work with groups of smart, motivated, dynamic, helpful and supportive people. Whenever an employee needs help, peers will go to extraordinary lengths to make certain that they are assisted. We constantly invest in their personal development, from career-long formal trainings to day-to-day coaching from team mates.

To support the personal growth, especially knowledge growth, we held internal training, with various topics (Product knowledge, marketing knowledge, professional image, grooming, etc). The participant also adjusted according to their needs. The format of the training itself varied depends on the requirement, such as symposium, workshop, etc.
