

GRACE LETTER

July 30, 2016

To our stakeholders :

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to **purely internal reasons because our company has initiated the certification process ISO 26000 RSE and our Global Compact representative Mr Rachid Zarrad is charged of this and other strategic projects.**

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website **no later than August 31,**

Sincerely
Yours

Mr. RACHID ZARRAD
