### **Statement of Continued Support by the Executive Director**

August 4, 2016

I am pleased to confirm that Thrive Networks/East Meets West Foundation reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely,

A handwritten signature in blue ink, appearing to read "Loan", with a long, sweeping flourish extending to the right.
