Extension of COP Deadline

To Our Stakeholders:

We recognize that a key requirement for the participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP due to personnel changes in our company. We hereby ask for an extension period in order to be able to post a COP that accurately describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 29th of November 2016, which is 90 days from the 31st of August 2016 actual COP deadline at the latest.

Thank you.

Sincerely yours,
