

Paris, 2<sup>nd</sup> of October 2016

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Every year, we release our COP between the 4<sup>th</sup> and the 10<sup>th</sup> of October. I just received on email asking us to publish the document today. Our COP will be ready to be released before Friday 7<sup>th</sup> of October 2016.

We hereby ask for an extension period of one week in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Sincerely yours,

Matthieu Riché
