

President's Office

3rd October, 2016

To our stakeholders: UN Global Compact,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the immense amount of activities that took place in Cairo University in the last years which need more time for compilation.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by the 3rd of January, 2017 at the latest.

Sincerely yours,

Prof. Gaber Nassar

President
Cairo University
