To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to [latwar@gmail.com](mailto:latwar@gmail.com) address was full and could not received any incoming mail since Feb 2015 and so loss the communication. But we are implementing ten principles all the way up and will do annual submission of a Communication on Progress in future.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by December 29, 2016 at the latest.

Sincerely yours,

Dr. Khin Maung Aye
